Speed Monitoring Citation Notice

A vehicle, registered or leased to you, was photographed by an automatic camera connected to a speed monitoring system. Vehicles exceeding the posted maximum speed limit by at least 12 mph are detected automatically and two photographs are taken. Superimposed on each photograph are the date, time, location and speed of vehicle when the violation occurred. An example of the superimposed data bar appears below.

This citation is not considered a "moving violation". It is a civil citation holding the registered owner or lessee responsible for the violation (similar to a parking ticket). **NO POINTS CAN BE ASSESSED FOR THIS VIOLATION AND IT WILL NOT RAISE YOUR INSURANCE RATES!**

If you fail to request a trial or pay the citation within the time allowed, this jurisdiction will notify the Motor Vehicle Administration (MVA) to place a flag against your vehicle record to prevent your registration from being renewed or transferred to another vehicle. The flagging fee is assessed for each flag imposed and must be paid to the MVA.
