

JOB OPENING

Department of Public Utilities

The City of Crisfield Department of Public Utilities is accepting applications for an Operation and Maintenance Operator for the Department of Public Utilities. This position requires the ability to repair, replace or install water and sewer lines, with minimal supervision. Applicant must be able to operate a backhoe as well as other heavy equipment and must be able to work in wet and cold environments to make needed installations and repairs to our system. This is an “on call” position which requires working some weekends and Holidays. Applicant must also be able to perform operation and maintenance of the well and pump station equipment as well as Waste Water Plant maintenance and repairs.

Applicant must possess a valid Maryland driver’s license, CDL preferred, and must be able to pass a drug screening test. A competitive salary will be offered based upon experience and qualifications. Preference will be given to those holding a current water or waste-water operator’s license. Applications may be obtained at City Hall and must be received by 4:30 PM, Friday, July 14, 2017.

The City of Crisfield is an Equal Opportunity Employer and provides a full benefit package. For further information, contact 410.968.1333.
